

Summer Youth

Employment Opportunities Program

This program will provide summer employment experiences for youth ages 14 – 21. All projects employing youth will be designed for a four to ten week period between June 27, 2010 and September 30, 2010. All employment experiences will provide youth a meaningful and productive work experience while gaining exposure to the working world and its requirements.

All youth must be determined eligible to participate by the program provider. Therefore, all youth interested in applying will be required to supply the provider with specific documentation. Youth will not be considered for the program until all required documentation is supplied to the provider. To apply for this program please contact one of the following Summer Youth Providers:
