Adult Blue Collar Criteria for Enrollment

An individual shall be eligible to participate in the Adult Blue Collar Programs if such individual meets:

GENERAL ELIGIBILITY
Citizenship/Immigration Status
Social Security Number
Birth Date/Age
Residency
Selective Service Registrant

All eligibility will be documented and verified.

It is important to note that verification is far different than hard copy documentation.

Verification means to confirm eligibility requirements through examination of official documents (e.g., birth certificates, public assistance records, or speaking with official representatives of cognizant agencies).

Documentation means to maintain physical evidence, which is obtained during the verification process, in participant files. Such evidence would be copies of documents, completed telephone/document inspection forms, and signed self-certification statement.

All Adult Blue Collar enrollments must verify and document the General Eligibility criteria, which consist of citizenship or eligible to work, residency selective service registrant (if applicable), and age. All enrollments must be determined eligible through verifying and documenting the General Eligibility prior to the start of the program.

Individuals must meet General Eligibility, which consists of Citizenship or Eligible to Work, Social Security Card, Residency, Age, and Selective Service Registration.

Citizenship or Eligible to Work – participation in programs and activities financially assisted in whole or part under DWIB / DE DOL / DET shall be open to citizens and nationals of the United States, lawfully admitted permanent resident immigrants, lawfully admitted refugees and parolees, and other individuals authorized by the Attorney General to work in the United States (applies to all programs under Blue Collar).

Social Security Number – all clients shall provide documentation of their social security number.

Selective Service Registrant – the Secretary shall ensure that each individual participating in any program established under DWIB / DE DOL / DET or receiving any assistance or benefit under Blue Collar, has not violated Section 3 of the Military Selective Service Act (MSSA) (50 U.S.C. App. 453) by not presenting or submitting to registration as required pursuant to such section. The Director of the Selective Service System shall cooperate with the Secretary in carrying out this section.

ETO Policy 15-Documentation of Program Eligibility- Adult Blue Collar Programs

Note: Males born after December 31, 1959 must register with the selective service system within 30 days after their 18th birthday or at least before they reach the age of 26.

The contractor may make a request to DOL/DET to waive the selective service requirement for males who did not register for selective services because they were either exempt from registering (see Attachment B for allowable exemptions) or failed to register. In all cases, exemptions must be documented, or a letter from the client must be written explaining why they failed to register. The documentation or letter must be submitted to DOL/DET with the request to waive the selective service requirement prior to enrollment. DOL/DET has sole discretion to approve or deny such requests. Approvals will be kept to a minimum.

Age – Not less than age 18.

Residency – participation in a program administered by the DWIB / Delaware Department of Labor, Division of Employment and Training (DE DOL / DET) shall be open to all residents of Delaware. Residency is determined at time of application. Exceptions to Delaware residency may be permissible if approved by DET/DWIB. Requests to serve out of state residence should be sent to DOL/DET prior to enrollment. DET/DWIB has sole discretion to approve or deny requests. Approvals will be kept to a minimum. An exception to Delaware residency is allowed if the youth is enrolled in a Delaware school and lives in a town split by state boundaries (for example Delmar and Marydel).

Selective Service Registration

In accordance with Section 189(h) of the Workforce Investment Act, which states that the U.S. Secretary of Labor shall insure that each individual participating in any program established under this Act, has not violated Section 3 of the Military Selective Service Act (50 U.S.C. App. 453) by not presenting and submitting to registration as required pursuant to such section.

WHO MUST REGISTER

Almost all male U.S. Citizens and male aliens living in the U.S., who are 18 through 25, are required to register with Selective Service. It's important to know that even though he is registered, a man will not automatically be inducted into the military. In a crisis requiring a draft, men would be called in sequence determined by random lottery number and year of birth. Then, they would be examined for mental, physical, and moral fitness by the military before being deferred or exempted from military service or inducted into the Armed Forces.

A chart of who must register is available below.

NON-CITIZENS

Some non-citizens are required to register. Others are not. Non-citizens who are not required to register with Selective Service include men who are in the U.S. on student or visitor visas and men who are part of a diplomatic or trade mission and their families. Almost all other male non-citizens are required to register, including undocumented immigrants, legal permanent residents, and refugees. The general rule is that if a male non-citizen takes up residency in the U.S. before his 26th birthday, he must register with Selective Service. For a more detailed list of which non-citizens must register, see the Who Must Register for Selective Service Chart.

DUAL NATIONALS

Dual nationals of the U.S. and another country are required to register, regardless of where they live, because they are U.S. nationals.

HOSPITALIZED OR INCARCERATED MEN

Young men in hospitals, mental institutions, or prisons do not have to register while they are committed. However, they must register within 30 days after being released if they have not yet reached their 26th birthday.

DISABLED MEN

Disabled men who live at home must register with Selective Service if they can reasonably leave their homes and move about independently. A friend or relative may help a disabled man fill out the registration form if he can't do it himself.

Men with disabilities that would disqualify them from military service still must register with Selective Service. Selective Service does not presently have authority to classify men, so even men with obvious handicaps must register now, and if needed, classifications would be determined later.

FULL-TIME MILITARY EXEMPTED FROM REQUIREMENT

Young men serving in the military on full-time active duty do not have to register. Those attending the service academies do not have to register. If a young man leaves the military before turning 26, he must register.

NATIONAL GUARD AND RESERVES

Members of the Reserve and National Guard not on full-time active duty must register.

CONSCIENTIOUS OBJECTORS

Men who would be classified as conscientious objectors if they were drafted must also register with Selective Service. If a draft begins and they are called, they would have the opportunity to file a claim for exemption from military service based upon their religious or moral objection to war.

Self-Certification Requirements

After review of the eligibility criteria, along with possible ways to verify the criteria, it was found that much of the verification was readily available through a number of agencies or sources. In some cases, definitive verification is required (e.g., eligibility to work (I-9 requirements under IRCA) and Selective Service Registration or exemption for males.

WIIN 3-99, Change 2 allows for the use of Self-Certification to verify those items that in some cases are not verifiable or may cause undue hardship for individuals to obtain. A Self-Certification may be used after all practicable attempts to secure verification have failed.

In order to utilize the Self-Certification as verification, the Self-Certification Form, or facsimile, must be utilized.

Use of the Self-Certification Form is as follows:

If an applicant states that he/she cannot provide evidence that no income was received during the past six months, and that he/she was unemployed for that period, **the blank spaces following the words** “I certify, under penalty of law, that the following information is true” must be completed. For example:

“Have received no income from any source during the past six months, I have been unemployed during that time, and have been supported by donations/contributions from relatives and friends.”

NOTE: When using the “Self-Certification” form, the “Counselor’s Signature/Date” found in the “Certification” block must be completed. The “Reviewer’s Signature/Date” is to be completed by the Case Manager/Contract Intake Staff Supervisor.
